Skills

- **Languages**: JavaScript
- **Frameworks**: HTML and CSS, NodeJS, React JS
- **Tools/Platforms**: MongoDB
- **Soft Skills**: Problem-Solving, Teamwork, Adaptability

Projects

- **Startup-Match | Github** **Feb 2026**
- Developed a **full-stack web platform using the MERN stack** to connect startup founders through an **AI-based co-founder matching system and startup project marketplace**.
- Implemented **secure authentication, user profile management, project posting, application system, and real-time chat** to enable communication between matched users.
- Built a **rule-based matching engine** and integrated **live notifications with unread message tracking** to improve user interaction and engagement.
- **Tech:** React (Vite), Node.js, Express, MongoDB, Socket.io, Tailwind CSS, JWT, Bcrypt

- **Grocery-Store | Github** **Feb 2026 – Mar 2026**
- Developed a **full-stack Grocery Store web application using the MERN stack** to manage products, shopping cart, and user interactions.
- Implemented **RESTful APIs and database integration** to handle product listing, search functionality, and cart management with efficient data flow between frontend and backend.
- Designed a **responsive user interface in React** to provide a smooth shopping experience with real-time updates.
- **Tech:** React (Vite), Node.js, Express, MongoDB,Tailwind CSS, JWT, Bcrypt

Training

Java and MySQL: Application Development | LPU | Certificate Jun 2025 – Jul 2025

- Completed hands-on Application Development training focused on the Core Java, Swing and MySQL gaining practical experience in designing desktop-based applications with structured workflows.
- Implemented secure login modules, role-based authentication, and JDBC - Integrated CRUD operations to maintain reliable data handling across various user interfaces and applications components.
- Strengthened technical skills in Java Programming, Database Design, GUI layout creation, and logical Problem-solving through real-world project work aligned with industry-focused training outcomes.

Certificates

- Build Generative Ai Apps and Solutions with No-Code Tools| Infosys | Certificate Aug 2025
- Java Programming | Iamneo | Certificate Jan 2025 – May 2025
- Computer Communications | Coursera | Certificate Oct 2024 – Nov 2024
- Legacy Responsive Web Design V8| freecodeCamp | Certificate Aug 2023 – Nov 2023

Extracurricular Activities

- Attended a keynote leadership session, gaining insights on resilience, motivation and personal growth.
- Participated in 24-hour Binary Blitz Web Hackathon, showcasing teamwork and resilience.

Education

- **Lovely Professional University** Punjab, India
  Bachelor of Technology - Computer Science and Engineering; ***CGPA: 6.50*** *Since Aug 2023*
- **Sri Chaitanya Jr College** Machilipatnam, Andhra Pradesh
  Intermediate; ***Percentage: 94%*** *Apr 2021 - Mar 2023*
- **Narayana E-Techno School** Machilipatnam, Andhra Pradesh
  Matriculation; ***Percentage: 100%*** *Apr 2020 - Mar 2021*
